**ADMISSION POLICY:** New England Grows is a conference and exposition designed specifically for the green industry. Green industry professionals, educators, students and members of allied professions are invited to attend. **The New England Grows conference and exposition is not recommended for children under the age of 16. In the event that bringing children is unavoidable, a \$5.00 badge processing fee will be assessed.** Everyone is required to wear a badge issued by New England Grows to enter the educational conference and exposition. Transferring or lending a badge to another person is a violation of show rules and a misrepresentation to exhibitors and management. Anyone wishing to sell products or services at New England Grows must contract for an exhibit space. Selling on the trade show floor without an exhibit booth is unfair to other exhibitors and is strictly prohibited. Violation of these policies will result in expulsion from the show and confiscation of the badge. **REFUND POLICY:** All cancellations must be received in writing at the New England Grows office. Cancellations postmarked on, or before January 15, 2009 will receive a full refund. It is not possible to comply with refund requests received after January 15, 2009, however you may send someone in your place. That person must have the badge name changed on-site at the Badge Corrections Counter in the Advance Registration area. No telephone cancellations will be accepted. Registrations and fees received after January 15, 2009 that do not comply with the on-site fee will be billed accordingly.
